Community United Methodist Church

Welcome,

I invite you to join our family at Community United Methodist church every Sunday as we grow in fellowship, spiritual growth, and worship.

Everything we provide grows out of our love to worship God. God loves you and wants you to experience abundant and eternal life through his son Jesus Christ.

We want to be your church family and we seek to be a church that offers practical, meaningful teaching for all age groups. We are also learning what it truly means to be an authentic community of believers.

We desire to provide quality programs that not only meet the needs of the community but also provide a place for the passion which Christ has placed in you to grow. So let us know what you are passionate about.

It is our prayer that you will consider joining us and make Community United Methodist Church your home. I look forward to meeting you and your family.

God's Blessings!

Pastor Tim Gravatt

Our Mission Statement:

“To know Christ and to make Christ known”

What We Believe

About God: God is the creator and ruler of the universe. He exists eternally as the Father, the Son, and the Holy Spirit. God is both holy and loving.

About the Bible: The Bible is God's word written by human authors under the supernatural guidance of the Holy Spirit. It is the final authority for determining our Christian beliefs and how we are to live.

About the Life We Are Called to Live: Though we are not made right with God by our own goodness, “good works” are not optional for the Christian life. When we give our lives to Christ, it is expected that we will grow towards loving God with all our being and our neighbors as ourselves.
